

CCAA AWARD BADGES

At CCAA, we want to support you and your family in celebrating the achievements and efforts of your children and their siblings in relation to daily life with JIA. There are 8 different badges to collect.

Go to [CCAA.org.uk/badges](https://www.ccaa.org.uk/badges) to make your nomination.

Our families always tell us how much of a difference their paediatric rheumatology teams make in their lives, show your appreciation by awarding them with a special badge!
